

Climate Scarf Pattern

The finished dimensions of the scarf are 170cm x 20cm.

You will need;

- 6mm knitting needles (included)
- Chunky cotton yarn in 16 colours (included)
- Yarn needle for finishing off

Pattern

Cast on 30 stitches with the first yarn in the table (see overleaf).

Now you will knit 4 rows for each year in the colour stated in the table.

Tip: We recommend weaving your ends in as you go!

Once you have done the 4 rows for 2021 cast off in the same colour.

Weave in any ends.

The yarn is machine washable.
